

CERTIFICATE

Permission to use the test mark

„Hygiene tested – optimized steam cleaning“

The
gui-lab Engineering Company Dr. Winkens
hereby confirms that the steam cleaner

ECOLUX NEO

conforms to the requirements of the gui-lab quality mark.

This particularly confirms the the high cleaning performance against bacteria, molds
and viruses

Lux International AG

is therefore granted the right to use the test mark shown below
in connection with the above-mentioned product.

Moenchengladbach, March 24th 2020
